Subject: Human Subjects Research Application #2015-27
To: Tabatha Bowers <bowerst2@eou.edu>, Veronica Conaway <conawav@eou.edu>
Cc: William Knapp <wknapp@eou.edu>

I have reviewed the procedures and informed consent instrument for the proposal, "The effects personality traits have on coping with stress and alcohol consumption," by Tabatha Bowers and Veronica Conaway. I agree that the project poses no more than minimal risk to participants. The application is approved April 16, 2015 via expedited review.

Good luck on your research, and please notify me if there are significant changes in your procedures.

-Charles Lyons
IRB Chair
